February 21, 1997

**SUMMARY OF BILL:** Requires that a municipality provide a copy of its financial audit in all branches of the public library within its boundaries and if the municipality provides access to its records over the Internet, then the audit shall be made available on the municipality's home page.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase Local Govt. Expenditures - Not Significant**

It is estimated that the cost of providing copies of the audit for each library would not be significant. It is also estimated that entering the audit into a municipality's homepage on the Internet would not increase cost significantly.
